

Weekend Weather Report

24-04-2025

Thursday

The country is experiencing a transitional period with rapid weather changes in which an extension of High-Pressure System will recede allowing a Low-Pressure System to precede accompanied by a hot air mass. Light to moderate, freshening at times Southerly wind expected, causing rising dust especially over open areas, and some scattered clouds will appear. The weather will be hot by the day, rather hot at early night, and mild at late night hours.

Thursday by the day:

- Hot with light variable wind to light to moderate northwesterly wind with speed of (08-30 km/h), and some scattered clouds will appear.
- Maximum temperature: (40-42°C)
- Sea state: slight to moderate. Wave height: (1-3 ft.)

By night:

- Rather hot to mild with light variable wind to light to moderate southwesterly wind with speed of (06-30 km/h), and some scattered clouds will appear.
- Minimum temperature: (22-24°C)
- Sea state: slight to moderate. Wave height: (1-3 ft.)

Friday by the day:

- Hot, and clouds will gradually increase with light to moderate, freshening at times southwesterly to southeasterly winds with speed of (10-42 km/h), and chances for dust.
- Maximum temperature: (43-45°C)
- Sea state: slight to moderate. Wave height: (2-5 ft.)

By night:

- Rather hot to mild, and partly cloudy to cloudy with light to moderate southeasterly wind to light variable wind with speed of (10-35 km/h), and chances for suspended dust.
- Minimum temperature: (23-25°C)
- Sea state: slight to moderate. Wave height: (1-4 ft.).

Saturday by the day:

- Hot, and cloudy to partly cloudy with light to moderate, freshening at times northeasterly to southeasterly winds with speed of (12-40 km/h).
- Maximum temperature: (41-43°C)
- Sea state: slight to moderate. Wave height: (2-5 ft.).

By night:

- Rather hot to mild, and partly cloudy with light to moderate southeasterly wind to light variable wind with speed of (08-32 km/h)
- Minimum temperature: (21-23°C)
- Sea state: slight to moderate. Wave height: (1-4 ft.)
